The members of Hopkins Lodge have a great weekend planned: food, games, and fun for all. Skill challenges - Many Prizes. As all of you know there are many opportunities for spouses to shop Antique shops and other stores in the Twin Cities area, so we encourage you to bring your non-golfing spouse/guest for a great weekend.

The 2017 Minnesota Elks Golf Tournament will be held at:

Brookview Golf Course
200 Brookview Parkway S.
Golden Valley Mn. 55426 .

If you want to get a practice round in on Friday, July 28th, call the pro shop 763-512-2330 and tell them you are with the Elks. Tee times will be available by reservation Hopkins Lodge will offer a meal on Fri night off their menu.

We are offering two formats **SCRAMBLE** and **MEDAL** play to give both recreational and competitive opportunities to everyone. Awards and Prize Money for each format awarded based on number of entries. Members may invite one guest to play in the tournament. For the Scramble format you can organize your foursome or we can pair you with others to make a foursome. It can be four guys, four gals, or any combination. Members from different lodges are great too! You are welcome to sign up in either format as a group or you can sign up with 1, 2, or 3 players. We reserve the right to complete your group as a foursome.

For golfers that have a USGA Handicap, the Medal Play Tournament will be flighted accordingly. You play with your foursome. You are competing against players with similar handicaps. Awards and Prize Money for 1st, 2nd and (3rd if number of entries warrant). Flights will be dependent on number of entries. A Prize for first place low gross and first place low gross senior (60 years or older) will be awarded (can't win both).

Hopkins Lodge has many activities planned. Beverage carts will make the rounds throughout the day. Awards banquet will be at the lodge at a cost of \$13 for a BBQ rib dinner.

Next year's event (2018) goes to the South District. Bidding Lodges must have had at least one foursome at the 2017 Tournament.
