2. Grant Description

Category: Building/Repair/Renovation

Describe in detail your Lodge's charitable community project.

We plan on renovating 5 more sleeping rooms at the Eagles Healing Nest. Paint, put in carpet, purchase beds, dressers, chairs.

How does your Lodge plan to promote this project in the community? This is a chance for your Lodge to reach out to new people in the community, and spread the word about your Lodge's commitment to charity and building community. Doing so may lead to new members.

We plan on getting something in the local paper stating what we are doing at the Nest.

What local concern or need is your Lodge addressing with this project?

We are helping with a not for profit that is trying to help PTSD vets.

How did the Lodge decide on this grant?

We have helped the Nest in the past, and it seems it is a much needed and worthwhile project to stay involved with.
